

Low to no cost health care coverage for Wyoming's children and teens.

Some of the benefits covered include:

- Preventive care services, including age appropriate immunizations
- Prescription medications
- Preventive and diagnostic dental care
- Vision screenings and eyeglasses
- Laboratory and x-ray services

Children qualify based on:

- Citizenship
- Residency
- Family income
- Under the age of 19
- Uninsured for at least 30 days*

*Some exceptions apply.
