“You Be The Judge” is an interactive community outreach program designed to educate Wyoming citizens on the purposes and responsibilities of the Wyoming judicial system. The program is designed to provide participants with a behind the scenes glimpse into the difficult decisions faced by Wyoming judges. Attendees learn how the Wyoming judicial system works, how judges are selected, and what the rule of law is. In addition, legal arguments will be presented on various topics, including: 4th Amendment issues, divorce/custody issues, landlord/tenant issues, and evidence suppression. After hearing the legal arguments, the audience will have the opportunity to rule on the matters.

Throughout the event participants are given the opportunity to ask questions and to weigh in on how they would rule on the particular case. Participants will hear from Justice Michael Davis and Justice Kate Fox of the Wyoming Supreme Court, District Court Judge Jeffrey A. Donnell, Circuit Court Judge Robert A. Castor, and Municipal Court Judge Joshua Merseal. The public is invited to attend and encouraged to participate in both sessions.
